POLICY AND PROCEDURES FOR HANDLING OF PETTY CASH

A. INTRODUCTION

1. POLICY PRINCIPLES

Petty Cash means a small amount of cash kept on hand for incidental purchases of low value goods and services (i.e. Postages, office supplies, reimbursement out-of-pocket expenditure) which cannot be accommodated through normal purchasing procedures.

It is **not** the intention of petty cash to circumvent the existing acquisition procedures and payment of creditors or the provision of the Supply Chain Management Policy.

No payment of cash advance (IOU) will be done seeing that petty cash funds are **not** meant to grant short-term loans for acquisitions of any nature whatsoever to officials.

2. PROVISIONS

Supply Chain Management Regulation 12(1)(a) provide for the procurement of goods and services by way of petty cash purchases, up to a transaction value of R2,000 (VAT included); however the Accounting Officer decided in terms of his delegated powers that the maximum permissible amount for financing from petty cash will be limited to R 500.00 per transaction.

The limit can be increased to R1000.00 per transaction, for transactions that are authorized by the Executive Director: Financial Services.

The total amount that may be purchased from petty cash during one specific month shall not exceed one twelfth of the budgeted amount for that budget vote / line item.

The policy for provision of funds for petty cash expenditure, procedures for the administration thereof and control of the eventual allocation of costs against the various Ledger Votes is and remains the responsibility of the Executive Director: Finance and his / her nominee(s).

Additions to and / or amendments of this policy may be effected by the above with or without prior notice, without prejudice.
